About TAITRA

Founded in 1970, TAITRA is Taiwan's foremost nonprofit trade promoting organization. Sponsored by the government and industry organizations, TAITRA assists enterprises to expand their global reach. Headquartered in Taipei, TAITRA has a team of 1,300 specialists and operates 5 local offices as well as **60+ branches worldwide**. In conjunction with the Taiwan Trade Center (TTC), Taipei World Trade Center (TWTC), and Far East Trade Service (FETS), and supported by alliances with **500+ international affiliates**, TAITRA has formed a global network dedicated to promoting world trade.

TAITRA's five local branch offices in Taoyuan, Hsinchu, Taichung, Tainan, and Kaohsiung provide services to companies outside metropolitan Taipei. Through these domestic offices, TAITRA is able to maintain close contact and interaction with local companies in their respective areas and provide direct and substantial services in areas such as feature trade promotion, business information, market seminars, on-the-job training, procurement meeting, meeting room rental, etc. Branch offices play vital roles in Taiwan Trade Shows coordination between Taipei headquarter and local companies, and invite buyers to visit local industries.

TAITRA Core Missions

- To assist Taiwanese businesses in developing international market.
- To collaborate closely with Taiwanese government in trade policy implementation.
- To provide business consultation service and connect international firms with Taiwanese partners.
- To assume the role of "Smart Integrator" - complement government policies, facilitate industry needs and develop new business opportunities around the world.
